

Upcycled clothing from recycled t shirts

As the Statue of Liberty said, "*Give me your tired, your poor, Your huddled masses yearning to breathe free!*"

Most everyone has a stack of special t-shirts sitting in a drawer that you can't bear to part with because they have sentimental value,... but you never wear them. Your first marathon, your husband's college t-shirt, your kid's soccer team. Sound familiar?

Well, liberate those t's. Send them to *me* to make your very own one-of-a-kind amazing piece of wearable art. Simply.....

1. Put as many t shirts as you can in a mailing envelope and send to:
2. THE STATUE OF LIBERTY (kidding!). Send to: **LoveWorn**, 3264 Linwood Ave., Cincinnati, Oh 45226
3. Next, tell me what I can make for you! Use the handy-dandy form below.
4. Tell me where to ship to. It's on the form
5. Pay....money is good. It's on the form.
6. Sit by the mailbox for one week-10 days.
7. Open the package and be so happy you will jump up and down and call your friends!
